SHOWCASE

ANIL KUMBLE

Do you know, that Anil Kumble is a wildlife photographer too ? Indian celebrity cricketer, spinner bowler and highly regarded individual in Indian cricket, also happens to possess an exceptional talent in the realm of photography.

Just like how Spin bowling requires skillful focus on the wicket, Anil Kumble now adeptly spins the lens of his camera and captures exquisite photographs of wildlife subjects on the camera's sensor.

Anil Kumble's wildlife photography images have received considerable recognition from professional photographers and his cricket enthusiast followers on his social media platforms, Instagram and Facebook.

A curated selection of captivating pictures from Anil Kumble's fascinating exploration of his secondary talent, wildlife photography. Here, Photo Story showcases presents a selected collection of beautiful images captured by the renowned cricketer, Anil Kumble.
